

## **Winter Street Parking Policy**

“NO ON-STREET PARKING WHEN THERE IS A FORECAST OF SNOW OF 2 INCHES OR MORE.”

All vehicles must be removed from the streets to allow the snowplows to cover the entire street when plowing. Violators will be subject to fines and having their car towed at their own expense. This is a common sense rule of practice just about everywhere, and it will certainly make the snowplowing much safer and more cost effective.

If you have any questions regarding this policy, please contact HOA Board.
